

H2451

**Filtri di aspirazione
in acciaio zincato /**
Galvanized steel suction
screens

Modello / Model
H2451

Materiale / Material
Acciaio zincato / Galvanized steel

DN
50 – 250

Caratteristiche tecniche / Construction features

- **Pressione nominale di esercizio /**
Nominal working pressure
16 bar
- **Temperatura di esercizio /**
Working temperature
-10°C – + 100°C

Componenti e materiali / Components and materials

Lamiera forata / Acciaio zincato /
Perforated sheet Galvanized steel

Flangia / Flange Acciaio zincato /
Galvanized steel

Dimensioni e pesi / Dimensions and weights
